Oratory Lecture Series

Join the Oratorian Fathers and Brothers as they present a lecture on a topic of their choosing, ranging from Scripture, liturgy, prayer, and Oratorian spirituality. The group begins with drinks, snacks, and fellowship. All are welcome! Held the last Thursday of every month.

Thursday January 30, 6:30pm - Drinks & Snacks, 7-8:30pm - Lecture & Discussion

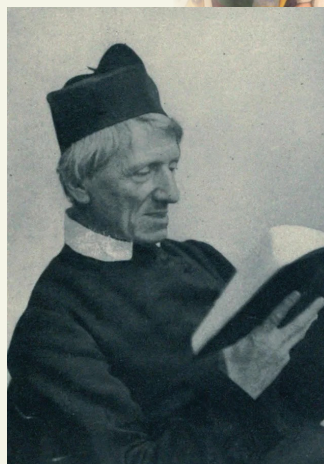

The Oratory Lecture Series Presents

THE MONOPHYSITE CONTROVERSY: CROSSROADS AT CHALCEDON

In the early centuries of the Church, the Monophysites ("mono" = one, "physus" = nature) believed that Christ had one nature, a combination of human and divine. Against this view, the Church clarified at the Council of Chalcedon that Christ has two natures, that He is fully human and fully divine.

Monophysites thought they were holding a middle position – a "via media." St. John Henry Newman, nearing his own conversion to Roman Catholicism, found his "via media" of the Anglican Church in the same situation, not holding to a Christological heresy, but instead holding an errant way of reconciling tensions between Protestantism and Roman Catholicism.

This lecture goes deep in history, so that we can learn the lessons and remain faithful to Christ, true God and true man.
